GOVERNMENT MUST RETHINK TUNNEL ROAD:

The Karnataka cabinet recently approved the construction of a tunnel road in Bengaluru connecting Hebbal to Silk Board Junction, ostensibly to ease the traffic congestion on this route. Is this a viable solution? Aren't there more effective alternatives? A consultant appointed by the government to conduct a feasibility study had recommended two tunnel roads, one from Hebbal to Silk Board Junction, with interchanges at Mekhri Circle, Chalukya Circle and Lalbagh; and a second one from Old Madras Road to Gaali Anjaneya Temple on Mysuru Road, with interchanges at K.R. Puram, Old Madras Road, Halasuru, Richmond Circle, Hudson Circle and Town Hall. The Hebbal to Silk Board Junction tunnel is to be taken up first on a 'pilot' basis, with a twin-tube single-level tunnel design.

By now, it is well-known from Bengaluru's own experience and from that of cities around the world that no amount of building new roads, flyovers, underpasses and tunnels will ever solve cities' traffic problem, because the more the space made for private transport, the more private vehicles will mushroom onto the roads. This is the wicked problem of infrastructure.

The policy of any sensible government should be to build and incentivise public transport and disincentivise the use of private vehicles. It must spend the proposed Rs. 13,000 crore on more urgent works that will pay both immediate and long-term dividends — like repairing existing roads that have become potholed death-traps for commuters, strengthening the metro network and its first and lastmile connectivity, speeding up the suburban rail project and augmenting BMTC services. Building a tunnel road without first getting these basics right or without considering more viable options is to indulge in grandiose projects and the attendant corruption and favouritism. Projects of this magnitude should not be undertaken on the mere whims of those in power. They must be done only after public consultations and the consent of the people. The cabinet must reconsider its approval and put the tunnel road idea on hold. *—In Deccan Herald*

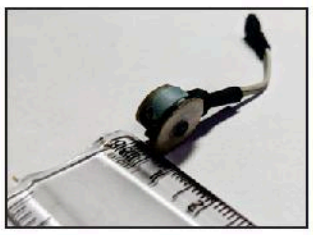
World's smallest vacuum cleaner



New Delhi: A college student broke a Guinness World Record by transforming a refillable ballpoint pen into the world's smallest vacuum cleaner.

Tapala Nadamuni, 23, spent about 238 dollars transforming his pen into a vacuum measuring just .25 inches at the shortest axis of its body.

He said his tiny vacuum creates suction via a tiny rotating fan powered by a four-volt vibration motor, and it picks up particles of dust that can then be emptied.

Nadamuni previously held the same record in 2020, when he built a vacuum cleaner measuring. 69 inches, but it was later beaten by a smaller device measuring just .07 inches larger than his latest creation.

"All the students in our college were amazed at this tiny vacuum cleaner, and my faculty told me that it's the most beautiful creation they've ever seen," Nadamuni told Guinness World Records.

'Rare and unusual' artefact discovered in Jerusalem

Israel: Archaeologists have discovered an "extremely rare and unusual" ancient stone amulet in Jerusalem that could change our understanding of reading and writing in antiquity.

"The seal, made of black stone, is one of the most beautiful ever discovered in excavations in ancient Jerusalem," Yuval Baruch and Navot Rom, directors of the Israel Antiquities Authority (IAA), said in a statement.

The artefact was found in the Davidson Archaeological Garden during a joint excavation by the Israel Antiquities Authority and the City of David Foundation.

Estimated to be around 2,700 years old, the item is one of the oldest finds since excavations began in the country.

Don't alter assets of Hill Temple: HC

Bengaluru Sept. 6 (BCT)- The Karnataka High Court (HC) has directed the State Government not to transfer or alter any movable or immovable assets related to the Chamundeshwari Temple atop Chamundi Hill in Mysuru.

The order was issued yesterday by a Single-Judge Bench led by Justice Hemanth Chandangoudar while hearing a petition filed by Pramoda Devi Wadiyar, a member of the erstwhile Mysore royal family.

Wadiyar's petition challenges the legitimacy of the Sri Chamundeshwari Temple Development Authority, established under the Shree Chamundeshwari Kshetra Development Authority Act, 2024.

Recently, Chief Minister Siddaramaiah chaired the first meeting of the Chamundeshwari Temple Development Authority, during which he directed to transfer all the movable and immovable assets of the Temple from the Muzrai Department to the Authority.

MUDA allots original owners' land to others

- Elderly couple from Udupi, who lived abroad, alleges usurping of their 5.14-acre land valued at Rs. 50 crore
- Blames former MUDA Commissioner for fraudulent site allotment to eight persons under 50:50 ratio

Dinesh Kumar

Mysuru, Sept. 6 (RK&BCT)- A relative of an elderly couple settled abroad allegedly forged documents to claim compensation when the Mysuru Urban Development Authority (MUDA) acquired their land.

Former MUDA Commissioner G.T. Dinesh Kumar (now suspended pending a departmental inquiry) has been accused of allotting sites on the same land to eight unrelated individuals under the contentious 50:50 ratio land allotment scheme.

It has emerged that MUDA officials, with the assistance of a close relative of the Udupi-based elderly couple, acquired 5 acres and 14 guntas of land valued at Rs. 50 crore, leaving the original owners without any compensation or their land.

The elderly couple from Udupi, Subramanya and Devaki, who recently returned from abroad, held a press conference along with their relatives Manjunath and Vicky at Jaladarshini Guest House yesterday.

They explained how they had been cheated and revealed that they have filed a complaint against former MUDA Commissioner, G.T. Dinesh Kumar with the Karnataka Governor, Mysuru Deputy Commissioner and the City Police Commissioner, seeking justice.

Manjunath addressing the press meet in city yesterday as (from right) elderly couple Subramanya and Devaki and their son Vicky look on.

Details of the case

Subramanya and Devaki, who were residing abroad, purchased 5.14 acres of land in 1986 in Survey No. 118 of Basavanahalli village, Kasaba Hobli, Mysuru Taluk, through Devaki's brother Ponnappa. A joint Khata was also established in the names of Subramanya and Devaki for this land.

The couple entrusted Ponnappa with the responsibility of farming and building maintenance on their land and left for abroad.

MUDA notification

In 1991-92, MUDA issued notifications 4(1) and 6(1) for land acquisition. During this period, Ponnappa allegedly forged a General Power of Attorney (GPA) with a seal and signature from the Gandhinagar Sub-Registrar's Office in Bengaluru and filed a case against MUDA in Court, reportedly securing Rs. 8,37,451 as compensation for the land, according to the couple's allegations.

In 2013, when 74-year-old Subramanya and 70-year-old Devaki returned to India, they were unaware that their land had been acquired by MUDA. Settled in Udupi, the couple had frequently travelled to Mysuru to check on their property.

Relative commits fraud

In 2017, they discovered that their land had been acquired by MUDA and that their trusted relative, Ponnappa, had fraudulently claimed compensation using a fake General Power of Attorney (GPA).

After obtaining records from MUDA under the Right to Information (RTI) Act, they filed a complaint against Ponnappa at the Udupi Police Station. Subramanya also reported that they had written to both the MUDA Commissioner and the Chief Minister. The Chief Minister's Office subsequently instructed the MUDA Commissioner to investigate and address the issue.

Road construction

They stated that despite their relative Ponnappa fraudulently claiming Rs. 8.37 lakh in compensation for their land using a fake GPA and their subsequent complaint to the Udupi Police and notification to the MUDA Commissioner, Dinesh Kumar, who was MUDA Commissioner in June 2023, proceeded to construct a road on their land.

The asphalted road was constructed in two days of continuous work and Dinesh Kumar justified this action as necessary for road development and allocated eight sites under the 50:50 ratio scheme to eight unrelated individuals who have no association with the elderly couple whatsoever, the couple alleged.

The couple has filed written complaints with the Governor, Mysuru DC and the City Police Commissioner seeking justice.

MP tells BJP workers to increase party membership multifold

Mysuru, Sept.6 (MTY&DM)- MP Yaduveer Krishnadatta Chamaraja Wadiyar has called upon BJP workers to enhance the party membership multifold for realising Prime Minister's dreams of making the country Viksit and Shreshta Bharat.

He was speaking after inaugurating 'BJP membership drive-2024' in front of the party office in Chamarajapuram here yesterday.

Pointing out that the party has launched a nationwide membership drive, Yaduveer said that the drive is part of the effort to materialise the PM's concept of Viksit Bharath. He called upon the party workers to spare no efforts in enrolling new members to the party in their localities.

MLA T.S. Srivatsa in his address, said that the BJP membership drive is being held once in 6 years. Pointing out that every booth has been tasked with enrolling atleast 300 new members, he asked the party workers to visit every homes and enrol members and ensure that no nook and corner is left out. He further said that the public can become BJP members by giving a missed call to Mob: 88000-02024.

City BJP President L. Nagendra said that Prime Minister Modi launched the nationwide BJP membership campaign on Sept.2, while Karnataka BJP chief B.Y. Vijayendra launched the same in the State the same day. Noting that there are ample opportunities for the party for expanding its base in the city and the district, he called upon the party workers to work in this direction. Stating that the local body polls are vital for the party workers, he said that a high enrolment means that the party will have it easy in the polls.

Former MLC Thontadarya, BJP State Vice-President M. Rajendra, former Mayors Sandesh Swamy and Shivakumar, District BJP President L.R. Mahadevaswamy, former MLA B. Harshavardhan, leaders B.P. Manjunath, N.V. Phanish, H.G. Giridhar, Kaveesh Gowda, B.M. Raghu, Cable Mahesh, Dr. Lakshmi Ashwingowda, Mangala Somashekar, S. Mahadevaiah, Mirle Srinivas Gowda, Devarahalli Somashekar, Hoshalli Venkatesh, Balakrishna, Kiran Jayaramegowda and others were present.

Need for transparency in MUDA to prevent future scams

Sir,

The recent revelations of large-scale irregularities within the Mysuru Urban Development Authority (MUDA) are alarming, yet sadly, not entirely surprising.

The ongoing investigations have highlighted how a lack of transparency can allow corruption to flourish unchecked. This situation serves as a stark reminder of the urgent need for reform within MUDA's operations.

Over two years ago, I wrote to *Star of Mysore* advocating for public online access to MUDA's records, maps, layout plans and other critical documents.

Unfortunately, the resistance to this transparency has only deepened the opacity within which these irregularities have thrived.

Unlike the Revenue Department, where most records are publicly accessible, obtaining basic information from MUDA often requires multiple visits, persistence and sometimes, undue influence.

To restore public trust and prevent future scandals of this magnitude, it is imperative that the government implements a system that makes all MUDA-related decisions, approvals, plans and allotments available online.

This would not only enable public to verify the integrity of MUDA's operations but also discourage the misuse of power by making all actions visible to public scrutiny.

As the Russian proverb goes, "Trust, but verify." However, in MUDA's case, the public has been forced to trust blindly without any straightforward means of verification. **If the government is serious about cleaning up this mess and preventing a recurrence, transparency must be at the heart of any reform.**

I urge the authorities to bring MUDA's operations into the light by providing unrestricted public access to its records. Only then can we ensure that such massive irregularities do not happen again.

—Vasanth Manickam

Bogadi

23.8.2024

NOTE: *Unrestricted public access to MUDA records is not transparency. Knowing the public psychology, it may lead to selective blackmail and extortion.*

However, thanks to UPA Government under Sonia Gandhi and an NGO, Ms. Aruna Roy, IAS, then member, National Advisory Council (India), we have today a powerful weapon to get transparency through RTI Act which replaced the bogus Freedom to Information Act. It is only because of RTI Act this MOST sinister corruption in MUDA could be exposed. Otherwise the whole scam would have been buried deep in the fathomless sea of corruption.—**Ed**

MGP to hold monthly meeting on Sept.8

Topic: How to reduce traffic accidents?

Mysuru, Sept. 6- In the first three months of 2024, forty individuals lost their lives within the Mysuru City limits, compared to 37 fatalities in the same period of 2023. In 2023, for the whole year there were 162 fatal cases versus 170 in 2022, and 119 in 2021.

Above statistics clearly show the need for reducing traffic fatalities and even aim to have zero fatality. Keeping this in mind, Mysore Grahakara Parishat (MGP) has organised an interaction with VV Puram Police Inspector Vivekananda, VV Puram Traffic Police Inspector Lava and VV Puram Traffic Sub-Inspector Gowtham Gowda, at its monthly meeting on Sunday (Sept. 8) at 4 pm at MGP Office, Vivekananda Road, Yadavagiri, Mysuru.

Those interested to attend the meeting may contact MGP on Ph: 0821-2515150.

Chamundi Hill retaining wall works delayed again

Mysuru, Sept. 6 (RK&BCT)- Thirty-four months and 2 weeks (nearly 3 years) have passed after the first major landslide occurred atop the Chamundi Hill between View Point and Nandi Statue (Nandi Statue Road) in October 2021. Yet the critical Rs. 10-crore retaining wall project remains unfinished.

Despite promises from two successive Governments - first the BJP and then the Congress - the 400-metre stretch of road has been closed to traffic since the incident.

The Public Works Department (PWD), originally slated to complete the construction by this Dasara, has now set a new deadline of December 2024. The persistent delays have added this project to the growing list of overdue developments in Mysuru.

The section of Chamundi Hill between View Point and Nandi Statue has experienced three collapses. The first landslide took place on Oct. 20, 2021, near the location where a landslip had occurred in 2019. Following this, on Oct. 31, 2021, the road saw a significant reduction, with 80 percent of it affected in the second slide. Another landslide occurred on Nov. 4, 2021, just 10 metres away from the area affected by the Oct. 20 landslide.

Speaking to *Star of Mysore* this morning, PWD Executive Engineer Raju acknowledged that there has been a considerable delay in the project completion. "First, there was a delay in payment and secondly, rains disrupted the works for several days and we could not catch up pace and thirdly, there was a delay by the project contractor. We aim to complete the works by December 2024 and open the road for traffic from January 2025," he said.

When questioned about the incomplete works impeding devotees' access to the Nandi monolith statue, particularly during Dasara — when Nandi holds significant religious importance — Raju responded, "We have opened the road from the Uttanahalli side for devotees, and they can use this route."

However, many devotees prefer the main Nandi Statue Road to reach the monolith for their prayers and are unlikely to use the Uttanahalli Road instead.

Currently, only 70 percent of the planned 50-ft retaining wall has been constructed from the ground level of the collapsed section, following the excavation of a 30-ft trench. Remarkably, work has only begun on one of the three landslide sites.

Once this retaining wall is completed, the PWD will need to build two additional retaining walls at the other landslide locations. This will require additional funds, and the future of these projects is uncertain, given that the main retaining wall has remained incomplete for nearly three years. This raises serious questions about the PWD's accountability in finishing crucial infrastructure projects.

Karnataka BJP needs a daring leadership: Prathap Simha

Prathap Simha

Sullia (Dakshina Kannada), Sept. 6 - Continuing his criticism of Karnataka State BJP leadership, former Mysuru-Kodagu MP Prathap Simha, who was denied a BJP ticket for the 2024 Lok Sabha elections, has called for bold and dynamic leadership within the party to effectively challenge the ruling Congress in Karnataka.

Delivering the keynote address at the 'Mosaru Kudike' Utsava organised by the Vishwa Hindu Parishad in Sullia, Dakshina Kannada, Simha emphasised that the State requires a leader with the courage and vision of Uttar Pradesh Chief Minister Yogi Adityanath.

He urged Hindu organisations to cultivate such leadership, stressing the need for a BJP leader who is both devoted to and loyal to the Hindu religion. Simha underscored the necessity for introspection on this issue.

"We do not need leaders who divide Hindus in the name of caste and we must keep away from such people who can stoop to any level to grab power," he added.

Highlighting the principle of 'Vasudhaiva Kutumbakam,' Simha asserted that Hindu society has always championed peace and harmony.

"We must adhere to these values to ensure global peace, mutual trust and harmony. Hinduism has imparted knowledge about our religion, cultural heritage, celestial bodies and astrological science," he said.

"It is crucial to educate and sensitise our children about the uniqueness and richness of our culture. Our religion and culture can only thrive if we remain united. The concept of Unity in Diversity is embodied solely within Hindu society," he said, reiterating the urgent need for a leader like Yogi Adityanath for both the Hindu Samaja and the BJP.

Don't alter assets of Hill Temple

(Continued from page 3)

Case still under review

During yesterday's hearing, the petitioner's advocates argued that the ownership dispute over the Chamundeshwari Temple area has been ongoing for over 20 years. Although the High Court dismissed a petition filed by the royal family in 2004, an appeal against that decision remains pending and the case is still under review.

The advocates contended that the creation of the Authority through legislative action while the case is still in Court violates Rules 81 and 161 of the Karnataka Legislative Assembly's procedures and conduct. The Bill was introduced on Feb. 19, 2024, and approved as law on Feb. 21 without any discussion, leading the petitioners to question the legitimacy of the law.

Similarly, the dispute has been ongoing in Court for the past 23 years with no action from the Government. The royal family has been seeking a prompt hearing of the appeal, the Court was told.

"Over the past year, the Court has also directed the Government to maintain the status quo and avoid taking any action within the Chamundeshwari Temple area. While the case is still under judicial review, the Government should have approached the Court before introducing the legislative Bill. By moving forward with the formation of the Authority without this step, the Government has demonstrated a lack of respect for the Court," the petitioner's lawyers argued.

Disrupting religious traditions

The Chamundeshwari Temple area is private property of the Mysore royal family, and the Government has no authority to intervene. The establishment of the Development Authority would place the Temple's assets and valuables under Government control, potentially disrupting the Temple's centuries old religious practices and traditions, they argued.

"Traditionally, the Chamundeshwari Temple is closed for an entire day if a death occurs within its precincts. However, despite a recent death, the Temple was opened for a prominent politician, and there have been rapid changes to both movable and immovable assets," the petitioners said.

Government has powers: AAG

Additional Advocate General (AAG) N. Devadas, representing the Government, argued that the petitioners were raising unrelated issues. He stated that under Article 212 of the Constitution, the Government has the authority to act.

"If the petitioners wish to challenge the validity of the law or the Authority, they should do so directly. However, challenging the legislative process is not permissible," he argued. Devadas sought additional time to file objections to the petitioner's arguments. The Court adjourned the hearing to Sept. 25.

'Rajendra Sri Seva' Award conferred on eminent personalities

Mysuru, Sept. 6 (BLU&DM)- Chamundeshwari MLA G.T. Devegowda said that Dr. Sri Shivarathri Rajendra Swamiji strived for providing education to all sections of the society irrespective of caste and creed.

He was speaking at the 109th birth anniversary of late Suttur Mutt Seer Dr. Sri Shivarathri Rajendra Swamiji and Rajendra Sri Seva Award conferment programme organised by Mysuru Sharana Mandali at the Institution of Engineers on JLB Road here this morning.

Pointing out that, it is laudable that the Sharana Mandali has instituted an award in the name of late Sri Shivarathri Rajendra Swamiji, Devegowda said that, it is not possible for everyone to become a Guru. Stating that Guru is like a God, he recalled the yeoman service rendered by Rajendra Swamiji to the society.

"Poverty and wealth are not permanent for a human being. As such, the people should not be scared when they face problems or challenges and at the same time, does not become arrogant or audacious whenever they get rich by getting wealth," he said while regretting that the society is getting more and more dirtier with the passage of time. He called upon the people to follow the principles advocated by Saints and Seers for the wellbeing of the society.

JSS institutions, Suttur, Co-ordinator and Columnist G.L. Tripurantaka delivered a talk on Dr. Sri Rajendra Swamiji's life and achievements.

Eminent personalities — Prof. Jayaprakash Gowda of Mandya (Organisation), IPS Officer Dr. Dharanidevi Malagatti (Administration), M. Ramappa and T.G. Adisheshan Gowda (Education), Ravi Shastri (Business) and Ramachandra (Social Service), were conferred the prestigious 'Rajendra Sri Seva' Award on the occasion.

District Kannada Sahitya Parishat President Maddikere Gopal, Mysuru Sharana Mandali President Mugur Nanjundaswamy and others were present.

Public offices of profit

CM's five advisors to lose Legislature membership?

Govindaraj Nazeer Ahmed Basavaraj Deshpande B.R. Patil

Bengaluru, Sept. 6 (KMS&DM)- Five advisors to Chief Minister Siddaramaiah are at risk of losing their legislative seats due to their involvement in offices of profit.

The affected individuals include MLCs K. Govindaraj and Nazeer Ahmed, Yelburga MLA Basavaraj Rayaraddi, Haliyal MLA R.V. Deshpande, and Aland MLA B.R. Patil. Each holds an advisory or significant role connected to the Chief Minister, with Rayaraddi, Deshpande, and Patil having been elected on Congress tickets in the 2023 Assembly elections.

The State Government had introduced an amendment Bill during the Budget session to address this issue, but it has faced delays. The Governor's office returned at least five Bills, including the one related to offices of profit, requesting further clarification.

The standoff between Raj Bhavan and the Chief Minister, exacerbated by the Governor's decision to sanction prosecution against Siddaramaiah over the controversial allotment of 14 sites to his wife, B.M. Parvathi, has heightened concerns among the advisors. They fear losing their positions due to the office of profit allegations.

Chief Minister Siddaramaiah is reportedly in discussions with his Cabinet colleagues about the Governor's request for further clarification. Government sources indicate that notes addressing the Governor's queries have been prepared following consultations with legal experts.

Panel to study report on Rs. 1,120 cr. COVID scam

Bengaluru, Sept. 6- Days after the Commission led by retired High Court Judge John Michael Cunha delivered its 1,722-page interim report to Chief Minister Siddaramaiah on alleged irregularities in the management of Rs. 7,200 crore in COVID-19 funds, the Karnataka Cabinet has decided to refer the report to a committee headed by the State Chief Secretary.

This committee is tasked with analysing the findings and recommending follow-up actions.

The report, submitted to the CM on August 31, has been given a six-month extension to complete its inquiry. Law and Parliamentary Affairs Minister H.K. Patil announced after the cabinet meeting that a team of top officials, including Chief Secretary Shalini Rajneesh and Additional Chief Secretary (Finance) L.K. Atheeq will review Justice Cunha's report and propose next steps within a month.

Patil revealed that the CM said the report uncovered misappropriation amounting to hundreds of crores of rupees and noted the absence of several key files.

When asked if the report named specific individuals, officials, or institutions, Patil did not confirm but indicated that he had not yet reviewed the details. Sources suggest that the report highlights a misappropriation of Rs. 1,120 crore.

Temporary school for children of mahouts, kavadis begins at Palace

Mysuru, Sept. 6 (MTY&BS)- A temporary school has been established at the Mysore Palace for the children of mahouts and kavadis involved in the Dasara festivities. The new facility, equipped with a Nodal Officer and three teachers, will commence full operations on Monday, Sept 9, from 9.45 am to 3.30 pm.

The school, set up in a room near the Jayamarthanda Gate of the Palace, replaces the previous Tent School arrangement. This initiative by the Department of School Education and Literacy aims to ensure that the children of mahouts and kavadis receive uninterrupted education.

Teachers Noor Fathima, Mousin Taj, and Divya Priyadarshini will handle classes for students from grades 1 to 10. On the first day, 12 students attended, with numbers expected to rise as more mahouts and kavadis arrived, along with the second batch of Dasara elephants.

The school anticipates an attendance of 30 to 40 students, who will receive daily mid-day meals provided by the International Society for Krishna Consciousness (ISKCON). To foster a love for learning, instruction will employ the 'Nali Kali' method, incorporating charts, pictures, maps, and other visual aids.

The school's operations will be supervised by DDPI Javaregowda, Block Education Officer (South) C.N. Raju, Block Resource Coordinator (BRC) M.D. Srikantaswamy, and Nodal Officer S.K. Manjula.

City markets buzz with festival shoppers

Mysuru, Sept. 6 (MK&BS)- The markets in the city were chock-a-block with the people shopping for Gowri-Ganesha festival, yesterday. The Gowri festival is being celebrated today, while Ganesha festival is scheduled for tomorrow (Sept. 7).

Devaraja Market and the area around Small Clock Tower on Sayyaji Rao Road, Vani Vilas Market at Agrahara, vegetable market on M.G. Road, Chikka Market at Mandi Mohalla, Dhanvanthri Road, Shivarampet among several other roads in the city, witnessed a heavy rush of people.

The vendors of fruits, flowers, banana, coconut, banana plant, jaggery, grass and other puja materials, that are a must to exchange *bagina* among the women folk on Gowri festival, did a brisk business.

Despite the negligible rise in the prices of vegetables, fruits and flowers, the people did not care to spend on buying them for celebrating the festival. Sevantige (chrysanthemum) woven with thread is being sold at Rs. 80 - Rs. 100, while the pieces of the same flower is being offered at Rs. 50 to Rs. 60 per 250 grams and roses at Rs. 60 - Rs. 70 for 250 grams.

The per kg of carrot is priced in the range of Rs. 60 to Rs. 80, beans at Rs. 80 to Rs. 100, beetroot at Rs. 50 to Rs. 60, tomato - Rs. 20 to Rs. 30, onion - Rs. 50 to 60, while the rates of brinjal, cauliflower, ridge gourd, ash gourd, drumsticks and other vegetables remain normal.

The decorative items made of plastic like flowers and door hangings, saffron flags and shawls with the image of Lord Ganesha, were the new attractions in demand.

Women were busy shopping idols of Gowri, along with buying new clothes for family members, defining the festive mood.

Amid this hustle and bustle, the burgeoning traffic came in the way of smooth movement of people on the roads, especially between Shivarampet and Small Clock Tower junction, K.R. Circle to Government Ayurveda Hospital Circle, Dhanvanthri Road, D. Devaraja Urs Road among several other roads.

The only relief for people feeling tired amid the jostling crowd was watching Dasara elephants on evening walk.

The many avatars of Lord Ganesha

Demand for Ganesha idols resembling Ayodhya's Balak Ram

Mysuru, Sept. 6 (MK&BS)- With Gowri-Ganesha festival mood setting in, the cultural capital Mysuru is witnessing Lord Ganesha in different avatars like: Balak Ram of Ayodhya, Male Mahadeshwara Swamy, Sri Gururaghavendra Swamy, Kukke Subramanya Swamy among many others to name a few, thus attracting the devotees.

Artist Manjunath of K.T. Street, who has set up the stall at the premises of Chamundeshwari temple behind Lashkar Police Station in the city, has been attracting the people, with the innovatively carved idols of Lord

Ganesha, out of clay.

Kannada film star Puneeth Rajkumar, who passed away in October 2022, has also come alive here, recreating the scene of his National award-winning film

as a child artiste - *Bettada Hoo*.

Manjunath said, "The demand for environmental friendly clay Ganesha idols modelled after Balak Ram is more this time. A group of youths who have ordered for the idol, also gave a photo to make the idol resembling Balak Ram. I have made several such idols of three-feet tall. I have been making the idols with that of the replicas of actors Puneeth Rajkumar and Yash for the last two years."

Several idol-makers and vendors have set up make-shift stalls in various parts of city. Those celebrating the festival in public places are busy building the pandal. Puja materials at markets are being sold briskly.

Paris Paralympics-2024

Kapil Parmar wins historic judo bronze for India

Paris, Sept. 6 (UNI)- Kapil Parmar's journey from running a tea stall to winning a bronze medal at the Paris 2024 Paralympics is nothing short of extraordinary. In a historic moment for Indian sports, Parmar became the first Indian judoka to win a Paralympic medal, securing bronze in the men's -60kg J1 class.

The 24-year-old judoka from Shivor village, Madhya Pradesh, delivered an exceptional performance at the Champ-de-Mars Arena, defeating Brazil's Elielton de Oliveira with a decisive 10-0 victory. Parmar's winning throw, an ippon, showcased his skill and determination in a category designed for athletes with vision impairment.

After suffering a severe electric shock from an open wire as a child, which affected his vision, Parmar faced numerous challenges. Financial difficulties at one point forced him to run a tea stall to support his training and dreams. Despite these hardships, Parmar's commitment to judo never faltered.

Before this win, Parmar demonstrated his prowess by defeating Venezuela's Marcos Dennis Blanco, a World Championships bronze medallist, with another 10-0 score to advance to semi-finals. Although he narrowly missed the final, losing 10-0 to Iran's Seyed Meysam Banitaba Khorram Abadi, Parmar's performance throughout the tourney was exceptional.

This bronze medal is India's 25th medal at Paris Paralympics, marking the country's most successful Paralympic campaign to date, with three days still remaining in the Games.

Kapil Parmar's triumph is a powerful reminder of the impact of perseverance and dedication. His achievement not only adds to India's Paralympic glory but also serves as an inspiration to aspiring athletes across the nation.

India now stands at 16th position with 25 medals (5 Gold, 9 Silver and 11 Bronze).

Hunsur CMC Presidential elections on Sept. 9

Hunsur, Sept. 6- With the elections to the second tenure of President and Vice-President of Hunsur CMC (City Municipal Council) scheduled to take place on Sept. 9, hectic political activities are going on in the three main political parties — Congress, BJP and JD(S).

The Government has now announced the reservation matrix for Presidential posts, according to which the President post is reserved for Backward Class Category A and the Vice-President post is reserved for ST (Woman).

Hunsur CMC, which had no elected head for past 15 months, was being run by a Government appointed Administrative Officer.

The Hunsur CMC is a 31-member body, with the Congress having 14 members, the JD(S)-7, BJP-3, 5 independents and 2 others. The Congress, which had been successful in ruling the CMC during the first tenure, is now making efforts to garner the required numbers for the second tenure of the current term. However, the JD(S)-BJP combine, which claims to have the support of 17 members, including that of the independents and that of Hunsur MLA and Mysuru-Kodagu MP who are also voters in the Presidential polls, is expected to win Presidential polls rather comfortably, in the changed political scenario, according to observers.

However, the election is likely to be held only for the President post, as the Vice-President post, which is reserved for ST (Woman) candidate, has only one ST (Woman) member in the entire Hunsur CMC. The Vice-President post is most likely to go to Asha, who has won from Ward. 2. Asha is becoming lucky for the second straight time, as the Vice-President post was reserved for ST (Woman) in the first tenure too.

However, there are many aspirants for the President post who include Swamygowda of the Congress, Bhavya, Zabiullah, Syed Yunus of SDPI, Ganesh Kumaraswamy of the BJP, Vivek and Harish, Saravana of the JD(S), Shahin Taj and Malik Pasha, an independent.

Anyway, the election to Hunsur CMC President post has raised curiosity in political circles, with ruling Congress and the Opposition JD(S)-BJP combine sparing no efforts to get the all important post in the civic body.

WORD OF THE DAY

Gridiron

Pronunciation: GRID-eye-ern (noun)
Meaning: A gridiron is a football field. The word gridiron is also used sometimes to refer to a grate for broiling food (as in "put the steaks on the gridiron") or something consisting of or covered with a network (as in "a gridiron of streets and avenues").
Origin: Are you ready for some football... lingo? Excellent, and if your big game preparations involve firing up a griddle at a tailgate party, even better—American football shares linguistic ties with that form of cookery. One of the oldest senses of gridiron referred not to a football field but to a metal grate used for broiling food over an open fire. In Middle English, such a grating was called a gredil, a root that gave modern English both gridiron and griddle. How did gridiron become associated with football? That happened in the late 1800s, when early football fields were marked in a grid, not by the familiar parallel yard lines we know today. From high up in the stands, the lines made the playing fields look like cooking gridirons. You might remember this the next time your favourite player is hot-dogging in the end zone.

THE ODD WORD

Galliard

Brisk; gallant; lively.

PHRASE OF THE DAY

Give the benefit of the doubt

Meaning: The phrase 'Give the benefit of the doubt' means to regard somebody as though their behaviour is right, despite the fact that you are not sure that it is.
Origin: This is a known English and American legal term. This term was first used in Irish treason trials in 1798 where the defence stated that "if the jury entertain a reasonable doubt upon the truth of the testimony of witnesses... they are bound" to acquit."
Example: "I think that he broke his glasses on purpose, but, I will give him the benefit of the doubt."
